waiting for you...**

www.blcspain.com

Join us and become a leader in global business, ready to make an impact and drive success in the digital era.

Our graduates finish their four years equipped with the skills and knowledge to excel in the fast-paced world of digital marketing.

We also focus on ensuring that our students finish their program with a fluent level of Spanish and are able to work in any Spanish-speaking environment confidently.

We're the only accredited program in Spain that offers a flexible location for each of the four years. Starting in Madrid, you can choose from a range of Spanish cities for your second and third year.

With nearly two decades of international educational experience, BLC Spain stands as a beacon of excellence in the field. Founded by two visionaries with extensive backgrounds in international business, marketing, and education, we bring a wealth of knowledge and expertise to every aspect of our programs.

As a testament to our commitment to quality, we hold prestigious national and international accreditations:

Our courses are offered in partnership with Universidad Europea del Atlántico, a renowned Spanish University. This partnership underscores the rigorous academic standards upheld across all our programs, ensuring that students receive a world-class education that is recognized and respected globally. The Spanish component of our programs is delivered in collaboration with LAE Madrid, our Spanish language school, accredited by Instituto Cervantes, the highest accrediting body for Spanish language learning courses.

LAE MADRID
La Aventura Española

What sets our degree apart from the rest?

FLEXIBLE, MULTI-LOCATION DEGREE

Once you've finished your first year in Madrid, you'll have the chance to **move and experience living and studying in one of our other locations in Spain**, while completing your 4-year program. The unique structure of our program allows you to choose from a variety of locations such as Barcelona, Malaga and Valencia.

SPEAK PROFESSIONAL SPANISH FLUENTLY

We prioritize fluency and cultural awareness, ensuring students are well-equipped to navigate the Spanish-speaking professional landscape. Our **immersive language** programs make our graduates effective communicators in international contexts.

GAIN PRACTICAL INTERNATIONAL BUSINESS EXPERIENCE

We believe in bridging the gap between theory and practice, offering students **real-world** exposure through hands-on projects, case studies, and industry collaborations. This empowers them with practical skills and insights vital for success in the business world.

RECEIVE UNRIVALLED STUDENT CARE AND SUPPORT

We nurture the professional and personal development of our students, far beyond just their academic journey. We provide a **supportive learning environment**, personalized guidance, and a diverse community that encourages personal growth and well-being.

Spanish and Digital Marketing & Communication

Learn, Apply, Succeed:

Dive into the dynamic world of business with our practical, English-taught classes for aspiring digital marketing professionals. At Business and Language College Spain, practical knowledge is viewed through global perspectives, offering a unique blend of theory and hands-on experience.

Live Learning, Real Impact:

Our classes come alive through a mix of in-person and virtual sessions, all conducted live to foster **interaction**, **debate**, and **collaboration**. Our students engage with peers and industry experts in a vibrant learning community.

Real World Case Studies:

At the heart of our curriculum are **real case studies**, allowing you to dissect, understand, and apply business strategies in actual scenarios. From startups to multinational corporations, **gain insights** into the challenges and triumphs of diverse business landscapes.

A Curriculum That Means Business:

Our courses cover the essentials of international business management, global economics, finance, marketing, and more. Each class is a step towards building a **robust** foundation, **critical thinking** skills, and the **agility** to navigate the complexities of the international business world.

Beyond the Classroom:

Our commitment extends beyond academic excellence. Through our network of partners and alumni, we offer **unparalleled opportunities** for internships, projects, and career advancement.

Spanish Immersion

Accredited Excellence:

Proudly accredited by the **Instituto Cervantes**, our curriculum and methodology will enable you to reach **fluency**. Whether navigating daily conversations or mastering Spanish for business contexts, our comprehensive approach ensures that you'll develop all the skills you need to work in an international environment.

A Journey to Proficiency:

Over four **transformative** years, you'll progress through level-specific Spanish courses, each carefully structured to build upon the last. From foundational vocabulary to advanced business communication, our expert teachers will guide you every step of the way.

Real-World Readiness:

Beyond linguistic skills, our program focuses on cultural insights and practical knowledge essential for doing business in Spanish-speaking territories. Graduates emerge not only **proficient** in language but also adept in **cross-cultural negotiation** and **communication**.

Your Path to Confidence:

We place keen focus on supporting students to become **confident communicators** in any setting. Imagine negotiating deals, leading teams, and expanding networks with ease in Spanish. Our students will graduate with a lot more than just **linguistic proficiency**.

Academic Support for every single student

At Business and Language College Spain, we pride ourselves on offering a **boutique** learning experience that goes beyond traditional education. We want your educational journey to be as **personalized** as it is profound and we'll be here every step of the way to ensure you reach your academic and personal goals during your time with us.

At BLC Spain, you're not just a number; you're an integral part of a close-knit community. Our inclusive environment welcomes learners from all walks of life and fosters a culture of **diversity, respect, and mutual support**.

You'll come together with students from all over the world and learn how to interact with professionals from all industries; while at the same time **immersing** yourself in the language and culture of one of the most forward-thinking business landscapes in the world.

If you're seeking a place where your individual needs are met, your goals are nurtured, and your success is celebrated - look no further.
